E. A. Hayes Renominated.

E. A. Hayes has been renominated for congress. He has made the very best representative the Fifth District has ever had and it will be well for the people to keep him in congress. Mr. Hayes has displayed great skill and acumen as a statesman as well as tact in securing appropriations for his district. He is an indefatigable worker, alert to gain advantages for his state, and above and beyond all, honest in the discharge of his duties. Such men are rare and when they can be induced to hold office should be retained. We need men of Mr. Hayes stamp in public offices, men whose reputations are free from taint and cannot be corrupted by corporate influences or the machination of bosses. Mr. Hayes should, and no doubt will, be returned to congress with an overwhelming majority.

CITY COUNCIL.

The city council is face-to-face
with a dilemma in the unexpected
exhaustion of the town's street funds
and for the present work of that char-
acter must cease. Monday night the
matter of macadamizing Roosevelt
avenue was before the board for
action. A number of citizens residing
in the Reece tract through which the
avenue runs were present to urge its
improvement but the board was obli-
ged to confess its inability at this
time to go on with the work. The
matter was laid over for another
week when it is hoped that some
way will be found by which the work
can be done out of the general fund
without involving the city in legal
complications.
